SEASONS GREETINGS

Greetings and blessings
and good wishes for
your happiness during
the Holiday Season.

Had a weeks rest at home in May. A trip was planned for "Mother Lode Country", but it was cancelled. Got my nose in a book and really lost myself. Have read some very good books this year. One especially, "Mammy Pleasant", by Helen Holdridge, an autobiography of San Francisco's early days.

Enjoyed my operettas' at Music Center, they didn't seem quite as good this season. Just an afternoon nicely spent.

In August took a trip up through our beautiful redwoods - and another ride on the famous "Skunk Train."

In October, a fantastic vacation to "Canyonlands" - Moab, Utah and Lake Powell, Page, Arizona. It was advertised as rough, and believe me, they meant rough. Had to take four wheel drive jeeps - over rocks, river beds and climbed up sides of mountains. Oh, but such beauty!!! The west's' newest scenic wonderland. It's one of America's last untouched frontiers - one you just won't want to miss! To me, it's more beautiful than the Grand Canyon, all 257, 640 acers of it. Only saw a very small part of it, would loved to have stayed longer.

Our Order of the Eastern Star Installation was November 28, 1969. Starting the Star Points over again - going in as "Adah" - 1960-1970. One of the most beautiful Installations our America Chapter has ever had. So colorful! Wish you all could have been there.

Often this was done in connection with filing for death benefits by a family member attorney, a mortuary, etc. Each update of the DMF includes corrections to old data as well as additional [NOTE: If someone is missing from the list, it may be that the benefit was never requested, an error on the form requesting the benefit, or an error was made when entering the information into the SSDI.]

Extended Description:

This file includes the following information on each decedent, if the data is available to the SSA:

Last name, First name, SS#, (State issued), Birth date, Death date, Last residence/Lump sum payer

The absence of a particular person in the SSDI is not proof this person is alive. Additionally, there is a that incorrect records of death have been entered on the DMF. The Social Security Administration does guarantee the accuracy of the file.

Dear Willie (Bentley) 9-27-87

You, Willie, should be a writer.
Your letters are fabulous! We
do enjoy them. We enclose letters
in the only way I could possibly
catch everyone up on my life -
which has been busy. So tedious!
I am still struggling with estate
works & trying to collect the notes -
due mortgage we hold on home -
in Tennessee as I and Guy Ray off.
It has become a real blood sucking
process for me - he is being patient
however. We lost this short and
weird & was kind to your note to
ask me for you, and at a later
date will try to send more if you
want it. Love - Ann & Bill

Principal

Dear Parents:

Our school program is planned to give every boy and girl the greatest possible opportunity to become a competent citizen. We believe that he should know what individual responsibility within a democracy means as well as how our democratic form of government developed. We believe that he needs to master the tools of reading and speaking, and of number and written expression. We believe that he should enjoy skillful participation in music, art, and games. We believe that he should live comfortably and happily with other people and that the school shares a responsibility with his home in teaching him to do this.

This report is an evaluation of your child's achievement of these goals. If we plan together for his maximum development, his progress should be greater. If you would like to discuss this report, or if there is other information about your child which you would like to discuss, will you please make an appointment for a conference. I will be very glad to talk with you. We believe that there should be at least one, and preferably two parent-teacher conferences during the school year.

Sincerely,
Teacher

Your signature indicates that you have examined your child's report and discussed it with him. Since the home and school together have the responsibility for the guidance of your child, a report of your observations at home will be most helpful. ELEMENTARY PUPIL GROWTH REPORT
FOR SPECIAL CLASSES

FORWARD SCHOOL

Message from the Superintendent

Dear Parent or Guardian:

The instructional program of the San Diego City Schools is planned to provide the best possible education for each child of our community. A carefully planned course of study serves as a guide for promoting continuous growth in the basic skills. The school is also concerned with the physical, emotional, and social growth of the child. It seeks to help each boy and girl to develop to the best of his or her ability and to become a well-adjusted, self-supporting, actively participating citizen.

Your child's progress report has been prepared in terms of his growth and development. It indicates:

- ... growth and progress in the basic skills.
- ... social growth and adjustment.
- ... areas of study where improvement is needed.
- ... ways that improvement can be achieved.

There will be three reports sent home during the school year.

You are invited to discuss your child's progress with his teacher or with the principal. By working together, the home and the school can better help each boy and girl make progress.

Sincerely yours,

RALPH DALLARD, Superintendent
San Diego City Schools

Visual-Developmental Report on: CYNTHIA SALISBURY

Cynthia is a second born, full term, normal delivery child although the history shows a very hard and long labor. The mother was in poor health during pregnancy, having hemorrhaged badly once and having had a severe fall on the base of the spine.

Her early development in walking, talking, teething and enuresis was normal. She had bronchial pneumonia at the age of five months. There is a record of a severe cut on the face at five years of age which necessitated additional surgery a year later.

Cynthia's educational history indicates a series of unfortunate circumstances. She had no kindergarten and although definitely immature was put into the first grade with the added confusion of split sessions. This was her first grade teacher's first year of experience. The school did not offer her a contract the following year. Cynthia was then sent to school in San Francisco after the second and third grades in Hawaii and thence to San Diego where she will enter a fifth grade special class next week.

Her eye examination and refraction showed very poor fine muscle coordination with an inability to fixate and focus at the near point of desk work and reading.

Cynthia is left handed, has a mixed eye preference at both distance and near but she bats, catches, throws, hops and kicks with her right side. She is left eared.

On the Cheirosopic Tracing the output through the left eye is more stable than that of the right eye but the Van Orden Star pattern indicates a more stable fixation of the right eye.

The Laevell Hand-Eye Coordination Test was administered and Cynthia shows exceptionally poor directionality with mixed right and left responses.

She has had difficulty in learning to read with specific inability to distinguish between similar letters such as "p and q" or "n and u." This is the result of mixed motor dominance of right and left cerebral hemispheres.

The early history of the mother's poor health, hard labor and fall should be considered in this case, also the upper respiratory pneumonia at five months plus the immaturity at the beginning of her academic career.

Cynthia has what is termed Strephosymbolia and all of our test findings fit into this syndrome. Among the syndrome patterns is the fact that that they tend to be left handed and right eyed, they don't learn to read by the usual sight method and they are poor oral readers and poor spellers.

Visual-Developmental Report on: CYNTHIA SALISBURY

Pg. -2-

It has been recommended that Cynthia be given a course in developmental visual training to alleviate the Strephosymbolia since, if it is not eradicated now, her whole future academic life will be invaded with problems.

In this training, areas of the brain, related to the dominant hand, will be stimulated, shall eliminate the neural confusion resulting from the crossed-dominancy brain pattern. Delecatto techniques are used to clarify the neurological function and promote the effective manipulation by the child of her space world. Procedures in sensory motor balancing are used which include posture, manual skills and coordination. Any further information will be gladly forwarded upon request.

Visual report: CYNTHIA SALISBURY

Cynthia was referred to this office by El Camino Reading Clinic and was examined August 20 and August 27. The purpose of the referral was that Mr. Ross had observed a cross dominance which he felt might be an interference in the orderly process of learning to read. Although the parent reports that Cynthia is well coordinated for skating, bicycling and swimming there has been a long history of poor academic achievement and poor small muscle coordination.

Mr. Ross' observation was verified in all of the many dominance tests given in this office.

The laevell Hand-eye Coordination Test produced a mixed dominance pattern but also, through the position of her paper, showed that she was using her right eye to fixate. This test also indicated a problem in directionality.

The Van Orden Star indicated that she was focusing and fixating better with the right eye than the left as did her Chieroscopic Tracing. Visual fixations, versions and rotations showed better control with the right eye although the mirror test produced a left eyed response.

If Mr. Ross feels that this situation continues to interfere with Cynthia's ability to learn to read it has been recommended to Mrs. Salisbury that Cynthia be given a course in vision training. Any further information will be gladly forwarded upon request.

Dear Cynthia:

Our school-working days are over. You are ready for vacation. So am I.

Let's have a good time and be ready for the fall term with a head full of fresh ideas about how to get good work done and good grades to take home to your fine parents.

We have studied together; we have pressed forward to gain more knowledge; it hasn't been easy at times but we are glad we studied

In your new school this fall; start out right at first, the very 1st day to get all you can learn. Nothing pleases a teacher more than to have a good hard working pupil.

You are a sweet girl, pretty and can learn. Your arithmetic has increased in many ways. Your reading your attention. After you are located, look up a library and get books to read. This will help you in school.

I'll be thinking of you in September at school time. Do your best each day and you'll be surprised how far you will go.

Loving you always,

Mary B. Moss

My Dear Cynthia:

Hope you are enjoying your vacation and Karen.

Isn't it wonderful to have such a dear sweet little sister...all your very own?

Well, June 27 will soon be rolling our way.

Your desk with new filing-box will await

you. School begins at 10 A.M. Come around 9:30 if you wish.

You will have two new class mates: Janine and Linda. You will like them.

Janine is from Bonita and Janine lives in Chula Vista.

Be seeing you soon.

Love,

Mary J. Moss

Bring your lunch & book satchel Monday. You may have a green one of mine if you wish.

Dear Cynthia:

You have done well in your studies. You are now nearing your new level.

During our week vacation, rest, play and enjoy your lovely little sister.

Then, June 27 we will tackle our last round-up for the grade level we have in mind.

You are smart and can make it. But it will take WORK. You know that without being told...can't you?

I've enjoyed having you in school. You are a keen girl and can get ahead.

May God bless and keep you safe.

Love,

Mary B. Moss

3.8	3.9	4.0	4.0	8.0	3.9	5.4	4.7	4.5

The Battery Median shows progress made since entering Campus School last October 19, 1965. At that time the status was 2.4 in reading, spelling and Arithmetic. Writing was below grade level ; at present writing measures 6.3 .

Phonetic study with daily work in syllabication of words, phrasing, and vocabulary-building has increased the power of reading and comprehension. Assigned words in Dictionary study as well study of word-meaning in daily reading has increased Cynthia's progress in each subject.

Daily studies in Comprehensive reading and Skilltext (another comprehensive reading-skill-study) have brought added understanding to related subjects.

Cynthia has established good work-habits: She "Knows How to Study". There are lapses, of course, as every teacher and parent know . But, after each relapse a strong refresher should be followed until the good work-habit becomes a permanent habit.

Cynthia is a delightful girl; pleasant and agreeable; adjust easily with peers; she is most cooperative. Cynthia is an asset to any classroom.

Her Summer School study should bring her to a 5th level for school this September, 1966. Every effort will be given by both teacher and pupil for this goal.

During the time Cynthia has been in Campus School she has shown great improvement in her studies. She has accomplished more than score grades: She has increased her innate ability in that she has found she not only had it but could use it. This was what she needed more than anything else. So:- She has-

1- Learned how to study-

2- Knows that time cannot be wasted-

3- Realizes that she must give the effort-

4- All work MUST be completed before departure-

5- Leisure (if any) must be put on
easy reading.

These KNOWS are the secret to success with any and every pupil. They bring independence, self-reliance, self-control and develop will-power.

Cynthia is adjusting well in every particular. She has a delightful disposition and a most pleasing personality.

We like Cynthia very much and are pleased to have her with us.

*Like treasured ornaments,
thoughts
of the special people

Dec. 10, '94

Dear Ben & Willie

I thank you for your lovely card and enclosed note. You were both missed in July at our 50th reunion. I bought a VCP tape from Dick Smith and I hope one would be available for you if you'd so desire a copy.

My stage struck (since '91) wife did her "Arbutus Arbuckle" (stand up hill billy comedian) act at the Saturday night dinner. Dick did not get her entire show on film but enough for you to get acquainted with her alter ego. Willie, I regret your need for surgery and other physical difficulties. I was able to play golf each day this week but my feet and I have aches from time to time and my hearing continues to diminish. The art of passing the later years presents problems not planned for but there are

many compensating joys!
This wonderful time of
remembering God's love for
us to mention the Joy of Joy's!
I like the freedom my little
wood shop guarantees me
each time I choose to
employ the tools I've

Thinking of you warmly
while this special season's here—

And wishing you
a world of joy

throughout the coming year!

Gathered there through the
years. And by your note
I see you are taking
pleasure in the beauties
of nature so near at hand!
We here on the shore of Clayton
lake witnessed a group of
Turkey's strutting about.
Deer, Squirrel, Raccoons and
Rabbits have been sighted.

I deeply regret the miles
that separate us for I
feel a kinship with
those I knew so briefly
in earlier days. Living
as I do so near to Fairmont
(200 miles) I am ashamed that
I rarely visit there.

Back to the reunion, I
missed of course those
who died since 1988. I
have copies of '88 & '94 and
Dick's VCR noted those
who are no longer living.
Dete Hamilton and Bob
Congress were not there.
I wish space would allow
a better account of the joys
& the reunion

Dearest Ben & Willielee,

Bradley just got up so want start breakfast until he gets out of the bathroom so thought I would start you a note anyway.

Have been thinking of you so much but seems like I just couldn't make myself get busy with a letter. My we do enjoy your cheerful and news letters.

Since this is the 4th it brought back wonderful memories of our wonderful 4th's at your place and how wonderful it was to be with everyone and enjoy family. Thank you both for the sweet memories.

We took chelation therpy treatments ,starting back in May and finished in June. Went to Mexico to get them so we left home around 7:30 A.M. got to San Louis and start the treatments around 8: or a little after. Took 20 treatments in all. Had hoped they would do more good than they did and maybe it did do more than we felt they did. It is given intrevenous and took from 3 to 4 hours that you had set. Could get up to go to the bath room, other than that set all that time. I am taking their follow up vitamins, Bradley was taking them but they are so large that he just could swallow them without having trouble with his throat. so had to go back to the ones we were taking before.

Yesterday was our 57th anniversary. Didn't do anything at all, but remember all the things on that day 57 years ago and count our blessings we have now..

Breakfast over with, dishes done & bed made and a short nap, now 10:00 & 98 degrees. Been having from 116-114-113 for some time now but it was so nice at 70 degrees when I got up around five. Take my exerises and go for a short walk, sometimes I get up at 4:30 and was awake this morning but didn't want to get up so just layed there for 30 minutes.

Edward Gosnell called last week to let me know that Dovie was in the hospital with an infection. She is 80 now and has been in the rest home for several years now. Edward lives in her house and takes care of her business. He is the one that is all crippled up from the polio he is on disability now but does work on lawn mowers and says he does good with that.

Lorie suppose to go to Seattle to see her Dad to day. She was in Tex to visit her sister there last month. Mike got sick while she was gone and it went into pneumonie and was real sick for awhile but is o.k. now. Was off work several weeks. He had to go to Washington, D.C. on business week before last so they drove down so Lorie could go with him. They stay with Mike & Karen when they go that way they get to see Jake & Kristina and enjoy their grandchildren. Karen is ^(goofed) expecting again in Oct. Since they live in Alexandria it works out great for them all. They called yesterday so we enjoyed visiting with them.

Called Pat & Sally yesterday to see how Sally is doing. She has just had a knee replacement but is doing good. Will probably have to have the other one done in November. She is a real trooper. Very cheerful even though she is in pain all the time with her arthritis (rheumatoid). Pat has been so good to call us and report on her so thought we should call them for a change.

Sure hope you are doing lots better Willie & Ben is also.

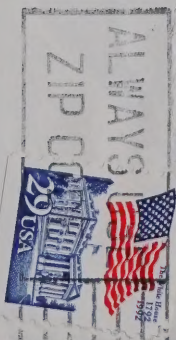

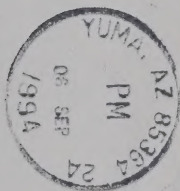

We send our Love to you Both and think of you often even though I don't make myself write.

Q. 10

3 Sept 1994-9:25 AM-88 degrees

Dearest Willie & Ben,

My I am slow again so some of you will get part of your letter in a copy. I just don't get much done any more. Part of it that I think I am lazy anymore and part of it is that Bradley gets up so late that it is too hot in my room in here that we had added on. It does have a vent for the ac but it still is too warm to do much out here. Poor excuse but the best I have at this point.

Thank you for the beautiful birthday cards that I got. Sure did make my day since I don't get out much any more. Most of the time when I need to go get groceries I go before Bradley gets up, before it gets real hot. It has been some cooler lately but the humidity is pretty high.

WE both have been going to the eye doctor. Bradley is to have a cataract removed the 14th this month and an implant. I have been going for test and do have some glaucoma but the doctor is still testing to see just what needs to be done. It isn't bad at this time and sure don't want it to get bad either.

When we live this long will have problems. I was talking to someone the other day about the golden years and I said I was still looking for the golden in them and this fellow said his was tarnished. Guess that is as good as any way of putting it. We still have so much to be grateful for. Have each other and things could sure be a lot worse so just count my blessings each day and we do have many.

Willie I really did enjoy your card you sent. Thanks again. Was going to write right away but a month later here I am.

Sure hope your getting better every day and will be all mended soon. We can sure feel for others when we have so many problems and you have sure had your share.

We look in the paper ever day to see how the weather is there. Want be long until you will be getting fall weather and the beautiful colors and all that is there. Enjoy them for me also. Thanks-----

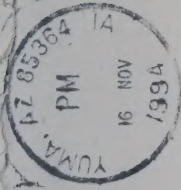

Take care, we both send our Love,

Bradley & Essie

TO THOSE I LOVE

When I am gone, release me, let me go...
I have so many things to see and do.
You musn't tie yourself to me with tears,
Be happy that we had so many years.

I gave you my love, you can only guess
How much you gave to me in happiness.
I thank you for the love you each have shown,
But now it's time I traveled on alone.

So grieve awhile for me if grieve you must
Then let your grief be comforted by trust.
It's only for awhile that we must part.
So bless the memories within your heart.

I won't be far away, for life goes on
So if you need me, call and I will come.
Though you can't see or touch me,
I'll be near...

And if you listen with your heart, you'll hear,
All of my love around you soft and clear.
And then, when you must come this way alone,
I'll greet you with a smile, and "Welcome Home."

Dear Willielee & Ben,

Again thank you for all those cute cards you sent. I don't know where you got all the cutz ideas but you are so talented Willie but we felt like we didn't deserve them but enjoyed them anyway.

Bradley is still asleep so thought if I got this started that I would get in the mail for tomorrow anyway.

I have had my breakfast this morning and couldn't believe that I didn't really want to go back to bed like I usually want to do and do so often.

We decided last week that we should get an exercise bike so looked in the supper shopper and found several adds and bought one for \$30.00. It is just the less expensive ones but that is all we need. Since we had gotten to where neither one of us could walk very far we had to have some exercise. So far we only get about a tenth of a mile each time but do it several times a day.

More & more people are getting down for the winter. It is good to have them come, just to have others around helps. The couple behind us got in yesterday. They are really nice people. When we had the accident Paulina hung my cloths for several weeks and bake several loaves of bread in her bread maker. It is nice just to be able to say, "Hello", as we see someone. Always new ones and I'm not one to visit someone in the homes.

I thought you would like this copy of the services for Dovie, made a copy and sent Maryaalice also, for your records.

Mike & Karen have another little boy. Born 25 Oct 1994-10:30 A.M. - on a Tuesday in Alexandria, VA, Brandon James Ray-9lb. 6 oz. Natural birth. All the children have been born natural births. Sure wish we were close to see them grow up but at least Mike & Lorie get to.

Mike & Lorie bought them a new car 1995 Mercury Grand Marquis. Since Mike has to go to D.C. so often and Lorie goes with him some of the time and they drive then but when he goes alone he flies. When they first got the car they took a trip into Canada for a week and really enjoyed that. I keep telling them to do these things while they can.

Sounds like you have been well organized with all your shores preparing for the winter. Willie I have to tell you what Bradley tells me when I say I am lazy, "You don't have a lazy bone in your body", encourages me but know what you mean when you feel so sick and don't feel like doing things. I don't push too much because it does take time to help Bradley with his needs but I don't mind. When one loves someone it is not a chore.

Sure hope Hunter continues to do well. Life gets hard sometimes but we are still blessed and helped in so many ways.

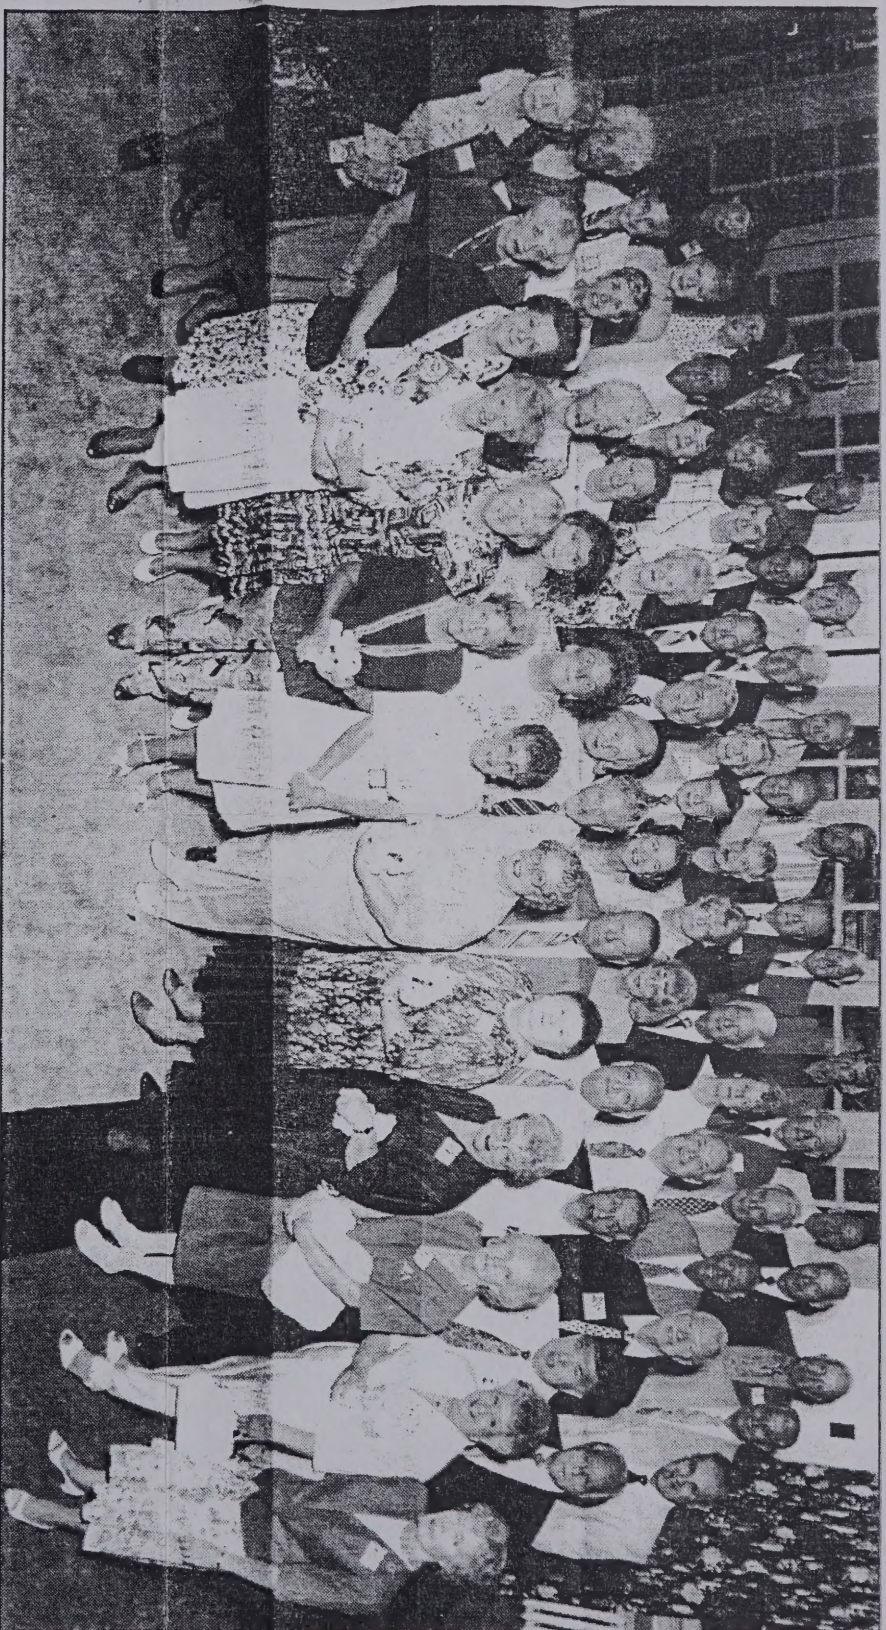

I haven't sewn in years except to mend. I do try and keep that up. Did some the other day but the machine hadn't been used for awhile so it didn't sew well. I picked one of Bradley's good days and he took it out to the shed and cleaned and oiled it. Works great now.

Out of chatter and the page is full.

Love to you Both,

Bradley & Jessie

Sweet facts about sugar

Deborah Shriver

To most of us, sugar is the product we use to sweeten tea, sprinkle on grapefruit or add to cake batter. This type of sugar, called sucrose or common table sugar, is the best known, but there are more than 100 substances that are sweet and can be called sugar.

"When you read labels to check for sugar content of foods, you need to be aware of about a dozen different words identifying sugars," says Deborah Shriver, West Virginia University extension agent in Marion County.

One clue to identifying sugars is the three letters, "-ose" at the end of a word. Sucrose, glucose, maltose, fructose and lactose are all sugars. Then there are syrups, honey, molasses and sugar alcohols (sorbitol, mannitol, maltitol and xylitol).

Where do all these sugars come from? Sucrose comes from sugar cane or sugar beets; dextrose or corn sugar, glucose and corn syrup from corn; and fructose or fruit

syrup added. People haven't always eaten as much sugar as they do today. In 1969 Americans got twice as much of their daily calories from complex carbohydrates as they did from sugar. Today, the proportion of calories coming from sugar is greater than those from complex carbohydrates.

Making jams and jellies is a good way to store fresh fruit flavors for enjoyment this winter, but many people don't want to eat the large amounts of sugar that must be added to conventional preserves.

One way to get a low-sugar preserve is to use one of the new product specially formulated for use with less sugar. These products work only with granulated sugar, not honey, corn syrup or artificial sweeteners.

Recipes that come with the product should be followed carefully. Don't try to make your traditional recipes by substituting a special pec-

New school head named

MARTINSBURG, W.Va. (UPI) — Hoping to keep its next superintendent for years to come, the Berkeley County school board has hired a new head for an annual salary of \$75,000 a year — \$24,000 more than his predecessor made.

J. Sam Meek, 46, was named superintendent Monday, replacing Jackson Flanigan, who resigned this year. Meek was superintendent of schools in Bedford County, Va., from 1981 to 1987, then served as a consultant to the University of Virginia.

Although the board had hoped to sign Meek to a four-year contract, state law prohibits a contract past the end of the fiscal year, unless it is signed before July 1. Missing the start of the fiscal period, the board agreed it would negotiate for the other three years after Jan. 1, 1989.

Parsons major is angry over power plant delays

PARSONS, W.Va. (UPI) — More than a decade of delays in the building of a proposed hydroelectric power plant in Tucker County has left Parsons Mayor John Wilson disappointed.

Wilson said Tuesday the county is in "terrific" need of jobs because of the number of layoffs at coal mines in the area, and Allegheny Power System's plant would have a positive impact on the local economy.

"We've been trying to get that ever since we've been a county," Wilson said.

In 1977, Monongahela Power Co., a subsidiary of Allegheny Power, received a permit from the Federal Power Commission. But the U.S. Army Corps of Engineers slammed the project, saying it would hurt protected wetlands in scenic Tucker County.

Wilson said the plant is a much-needed boost to the area, and the Corps is merely reacting to a portion of the public sentiment. The mayor said there always is some group of people in opposition to a project — and in this case, it is the environmentalists.

Certain groups maintain the project would be detrimental to areas like Dolly Sods and other tourist attractions.

In response, the Corps has refused to issue Allegheny Power a special wetlands permit.

Allegheny Power, meanwhile, has claimed that the Corps doesn't have jurisdiction to stop the project, and the battle is still being fought in the courts.

"That plant could mean thousands of jobs in construction," Wilson said, "and maybe that many after it is finished, if the boundary areas are opened for development."

In addition, Wilson, a 55-year resident of Tucker County, said the hydroelectric power plant would do more than employ people and generate energy — it would protect the area. According to studies cited by the mayor, the plant near Davis, along with a series of dams, would keep Parsons from suffering damage as it did in the flood of 1965.

Wilson said the Corps originally opposed the building of the Bruce Hardware facility near Elkins on the grounds it would damage protected wetlands. But he said the engineers were convinced to allow the plant — which has been played up by Gov. Arch Moore as a tremendous boost to the Randolph County economy — to be built.

Two arrested

A Taylor County couple has been charged with obtaining money under false pretenses after allegedly bilking several church congregations out of funds.

Marion County police said Tuesday that a Taylor County couple visited Monongah churches on July 17 and churches in the Mannington area on July 24, asking for money for medical treatment for their three-month-old child.

County police said the couple do have a small child but the money was not used for that.

When the couple was apprehended, police said, they were carrying prescriptions for medicine for the child but the money had not been used to fill the prescriptions.

The couple's children are now in the temporary custody of the Department of Human Services.

Any other church congregation which was victimized is asked to contact the sheriff's office.

Sheriff Junior Slaughter also warned residents that this is the season when alleged contractors, roofers and blacktoppers attempt to obtain money.

When dealing with contractors not from this area, he cautioned residents to check out the firm with local law enforcement officers.

needles for his shots, Johnson might be dead now. This red-haired, thin young man does not seem to feel that his circumstances are particularly bad but he is anxious to get a job and has tried and tried to do so.

"I just need something where I can work eight to 10 hours a day," he said. "I would rather stay busy. I'm not afraid to work. I'd rather work than sit around and do nothing."

He has done odd jobs for his doctor, who says "He would make a wonderful, loyal employee for anyone who would hire him."

During his latest stay at Fairmont General Hospital, his third this year, he was interviewed by Social Services Director Veronica Foschia, who was impressed with his optimism and lack of self pity.

"His outlook certainly says something about the human spirit," she said.

Foschia had recommended that Johnson look into the possibility of getting a medical card under Medicaid.

The Times-West Virginian contacted the Department of Human Services to see if a person in his circumstances would be eligible for a medical card.

Ron Anderson of the DHS said in order for a single person to be eligible, that person must be blind, disabled or 65 years of age or older. The disability must prevent the person from engaging in employment.

The DHS also has a program for the homeless and the persons in this program are eligible for medical assistance. However, said Lucy Eates of the DHS, if there is no need for an adequate place to stay, the person is automatically not eligible for the program.

Right now, Johnson has some where to stay. He lives in an acquaintance with an elderly gentleman at the courthouse who is sharing his home with him in return for Johnson's assistance in cooking his meals. Johnson also gets food stamps.

"I think I could stay out of the hospital if I had a job and could buy medicine," he said.

Of course he cannot pay his hospital bills which means that they are picked up, eventually, by patients and insurance companies who can pay.

Johnson does odd jobs when he can get them. He has one regular one where he cuts grass in Pleasant Valley. He has his application in at Job Service and when he hears of openings he applies.

"I have no idea why I can't find a job," he says. "I have several different things I can do. I went through food service training and I have a certificate and a good resume. I enjoy cooking. I can use a buffer and a scrubber. I've stocked shelves, done a little bit of janitor work. I've done some inside painting, a little bit of carpentry work. I have used a cash register, moved furniture, trimmed hedges, and washed windows. There are not too many people going around saying they wash windows."

Johnson has no car "but I'm used to walking. I've been walking a long time."

Dress code tightened in Putnam

WINFIELD, W.Va. (UPI) — Mini-skirts and shorts are out for Putnam County students this fall.

The Putnam County Board of Education finalized a dress code for students Monday night that calls for "lousy body attire... no shorter than the top of the knee."

The board also drafted a strong message to be sent to students, saying they would wear the dress code enforced. The board told those in attendance at Monday night's meeting to spread the word among parents, since now is the time for putting together fall wardrobes.

"There aren't a lot of styles that go to the knees," said board member Bill Allen.

Board President Irene Ghiz said the dress code, while controversial in the past, has been little trouble for Putnam county, which has had a dress code in some form for several years.

In fact, Ghiz said many teachers have asked for a stricter code, telling the board students were best behaved on days when yearbook pictures were taken. Dress also can affect academic performance, teachers told the board.

School Superintendent Steve Buehler said several parents — and students — have questioned whether the code could be enforced at the school level, but that no one has expressed outrage over the plan.

Apparently satisfied with the revision in the students' attire, the board hinted it may now turn its sights on what teachers are wearing to school.

break helps boost employee morale, in contrast to the 20-minute lunches which had recently been mandated.

Councilmember Bill Workman agreed with Austin that such a perk does increase morale, yet he declined to address the problem with the first addressing City Attorney Alex Solomon.

Workman also asked that this conflict be held over for discussion until the city charter is revised.

Solomon agreed to prepare an opinion which will be heard at next Thursday's special meeting, one which is primarily intended to be a Smith City Block Grant public hearing.

Mayor Darle Selter agreed the issue needed more research, adding "personally, I don't agree with the paid lunch hour. But there is nothing in the city charter justifying us (council) taking action on a personnel policy decision."

Communications gap over town ordinances

Every once in a while there seems to be a communications gap between the residents of a town over ordinances, laws and regulations. This seems to be the problem right now in the Town of Worthington according to Mayor Tracey Smith.

Smith states that while "most people of the town are civic-minded, law abiding, and understanding citizens, there are those who don't seem to understand that federal, state and local laws are written for the good of all persons concerned, and that some laws have been on the books for many years."

Never a year goes by without new ordinances being written by the town, or by the federal or state government, and then handed down to local government. Local governments then have to meet the standards of these ordinances or face losing grant monies, insurance benefits and any protection from the federal government that they might have been entitled too. Every Mayor, and council member must, or should be, make changes in the law and try to do their best to be knowledgeable of the changes (this is sometimes troublesome). In addition, towns people and property owners should be notified of such changes.

Smith has always tried to inform the people of Worthington via town meetings and through the newspaper, although he says that town meetings aren't always fruitful, but that the requirements have been met in order to pass an ordinance.

The basic problem seems to be that people either don't care, or that property owners live out of town and don't care about the town, or that people with living in an incorporated town. Owning or renting property does not give a person the right to do as they please. People are all governed, for better or worse. Hopefully, it's for the better, states Smith.

Although he says that town meetings aren't always fruitful, but that the requirements have been met in order to pass an ordinance.

KENNETH DEAN

Dean speaks to Kiwanis

Kenneth Dean, executive director of North Central West Virginia Community Action Association Inc., will be the guest speaker at the Kiwanis luncheon today at noon at the Fairmont Field Club.

Dean, a graduate of Fairmont State College, has been executive director since 1977.

North Central WV CAA is a private non-profit corporation and serves eight North Central West Virginia counties. As a provider of human service programs, North Central employees 250 individuals and operates a budget in excess of four million dollars.

Dean is involved in developing staffing for the state association of Community Action Directors and serves as its president.

His speech topic will be "Breaking the Chain of Poverty."

Local 4-H group wins awards

The Marion County 4-H Livestock Judging Team recently attended the State 4-H Judging event conducted by the West Virginia University Extension Service and the College of Agriculture and Forestry in Morgantown. The competition was held on the grounds of the WVU livestock farm with Phil Osborne, Wayne Wagner and Rick Koes in charge.

The County Senior Team consisted of Mandy Toothman, Holly Lee and Leon Ammons. The Junior Team was Stephanie Davis, Tim Lee, Marc Toothman and Brent Moore. Each team judged classes of cattle, sheep and swine. The senior team had to give oral reasons while the juniors answered questions in three different classes.

The Junior Team placed 10th with Stephanie Davis as ninth Overall Junior Individual. The Senior Team won third place honors with Holly Lee winning first place in cattle judging and eighth place overall, and Mandy Toothman placing seventh overall individual.

Guided bus tours of the WVU campus, a tour of the PRT, as well as guided tours through the greenhouses, AG Science Building, and the WVU Library were part of the afternoon activities.

The team members studied under the direction of Charles Husko of the Marion County Voc Tech Center during the winter months.

Lifeguards needed

WAYNE, W. Va. (UPI) — Football practice has wiped out Wayne County's lifeguard corps, and if at least one recruit is not found the pool will be closed on weekdays for the rest of the summer.

Robert Paisley, president of the pool board, said two of the three lifeguards had to quit the jobs because football practice started at Wayne High School. Beginning this week, he said, the pool will be closed during the week and only opened on a limited basis Saturdays and Sundays.

While it is not necessary to be a Wayne County resident, Paisley said, anyone interested in the job must be certified in lifesaving by the Red Cross.

The board advertised the positions, but no one applied.

SENDING A SPECIAL WISH FOR A
WONDERFUL AND FESTIVE SEASON

CLASS OF '44

Personal History: Ben H. Brown
2520 Northgate Rd.
Colorado Springs, CO. 80921

Married: Willie Lee Brown - four children, five grandchildren,
one great grandchild.

Following graduation in 1944, continued employment with Owens-Illinois Glass Co. until fall of 1946 when I entered the Army. Discharged with rank of S/Sgt. in 1948.

Returned to Owens-Illinois, completed apprenticeship, and transferred to Columbus, Ohio in late 1949, where I was later assigned to the Personnel Department as Employment Manager.

Around 1952-53 time frame, joined North American Aviation (now Rockwell, Int.) and continued in their employment through early 1969. Held various management positions during that time in Engineering, Quality Control and Manufacturing in California.

During 1969-70 was Manufacturing Manager for Union Carbide Corp. electronics division in San Diego, CA.

In 1971 joined Burroughs Corp. in San Diego as Manufacturing Manager, then Quality Control Director, and later General Manager of the Burroughs Plant in Carlsbad, CA.

Joined Digital Equipment Corporation in 1977 as Sr. Business Manager, working in Puerto Rico and Colorado Springs, CO.

In mid 1981, formed a company to manufacture computer memory devices (floppy disks), which I sold in late 1984 to Rhone-Poulenc S.A. Remained with the firm until Dec. 1986 at which time I retired from the business world.

Currently living in Colorado Springs, playing a little golf and doing some occasional management consulting for Digital Equipment Corp.

James Allen: Band, Printing Club '43. Jimmy is loyal to F. H. S. His favorite actor is Clyde Franklin and Bill Dakos rates number one on his band list. Where is he? Probably developing pictures.

Imogene Dolores Romino: Arts and Crafts '41, Girl Reserves, Red Cross, Tri-Hi-Y '43. "The Blue Danube Waltz" is heavenly, she says. Her pet hate is study halls—imagine!

Marjorie Woodward: Girl Reserves, Red Cross. "Marj" is a loyal fan of the U. S. Marines, says "Pon my honor!", likes to swim and sleep. "Intermezzo" takes the cake for her favorite song, Jack, Ingrid Bergman, the color blue, and Gary Cooper fascinate her, dislikes hair ribbons. *MAGGIE AND GAVE!*

Tony Camele: Band, Hi-Y, Military Club '41. Tony, or the "Dreamer," which, by the way, is his favorite song, thinks "Gene" a nice name, always has some excuse about his clock being slow, and says "foo."

Colleen Gotses: Tri-Hi-Y, Science Club, and Spelling Club. Colleen thrills when Duke Ellington plays "Somebody Else Is Taking My Place." Definitely despises "drips" but adores Clark Gable, tennis, playing the piano and the color pink.

Virginia Cowell: Girl Reserves, Motion Picture Crew, Red Cross. Virginia spends her time listening to Kay Kyser play "Stardust", doesn't like black nailpolish, kinda "admires" Donald O'Connor and Alice Faye, blue is her favorite color.

Mary Jo Murray: She's a manhater! Imagine! She likes to ice skate, admits that Clark Gable is grand, and is in heaven when Tommy Dorsey plays "You'll Never Know."

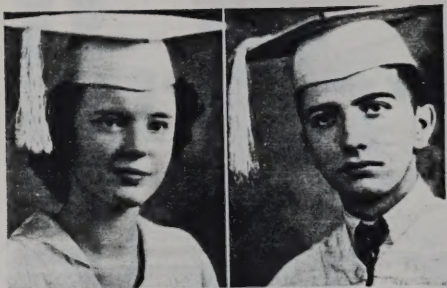

George Stalnaker: Letterman's Club, Military Club '41. George likes Errol Flynn and says that Glenn Arnett has the best band. As his excuse he uses "I missed the street car." Hunting is his favorite pastime, but football is the best sport.

Harold Jones, Jr.: Military Club '42, '43. "Shucks, I forgot" is usually heard from Harold. He thinks Betty Grable, basketball, blue, Lucille, and Harry James giving out with "Shoo Shoo Baby" are tops.

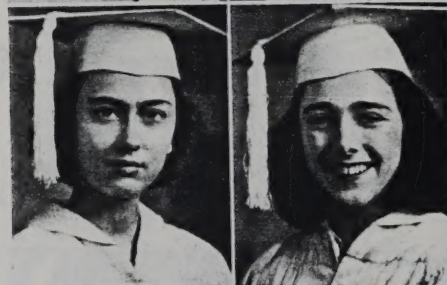

Bonnie Wilson: Maple Leaves '43, Arts and Crafts, Choral Club. Bonnie would rather talk than do anything else, or so her teachers say. She swoons when Harry James plays "Paper Doll," thinks basketball, Richard Green, and swimming are the stuff.

Thomas Paul Feorene: He does not like women—listen, pal, there are few enough men left without you having to hate females! He does like work, ice skating, and has to admit Betty Grable is pretty nice looking.

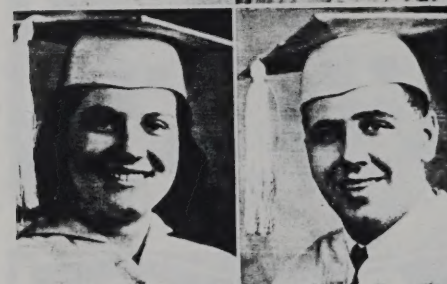

Bernice Reynolds: This gal likes Kay Kyser's band, basketball, reading, and the song, "They're Either Too Young or Too Old" (how true!). Her excuse is always "I'm too busy," sez "Is that so?" and hates eating—imagine!

Margaret Ruth Dodge: Girls Athletics, Science, Girl Reserves, Camera Clubs. Margaret Ruth loathes to get out of bed and going to the dentist. Adores basketball, music, and Cary Grant. She swoons when Harry James gives with "Stardust."

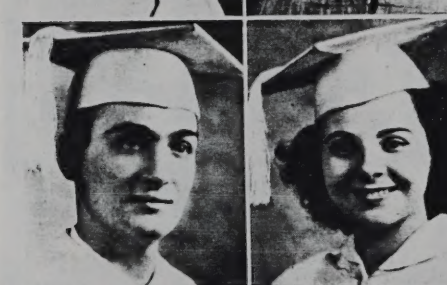

Alice Ford: Choral Club, Student Government, Drama Club. Alice is Editor-in-Chief of Hi Life and president of Masque and Gavel. Adores West High Band, Tommy Dix, and swimming. She hates to come in before the sun is up.

Sara Rose Buckley: Choral Club, National Honor Society, Maple Leaves '43. Sara Rose adores swimming, Rodney, piano playing, and Harry James. Loathes drips and silly girls. "For Me and My Gal" makes her swoon.

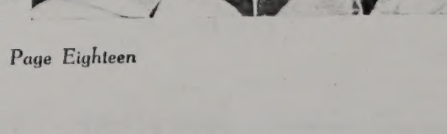

Dolly June Collins: Spelling Club. "Murder!" sez Dolly whenever cats (four legged ones?) come into sight. She likes to write letters and listen to the Marine Hymn played by Sammy Kaye.

Frank Webb Snyder: Frank always uses the excuse "Somebody died" while his favorite sport is embalming. He likes the song "Bury Me Not On The Lone Prairie" while he spends his time eating liver sandwiches.

Joan Wilson: Twirlers '41. Reading murder books, bowling, and swimming occupy this gal's time. She considers having nothing to do worse than ever working. Joan is one of the many who are thrilled by Dennis Morgan.

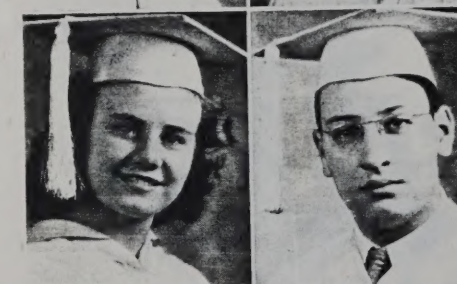

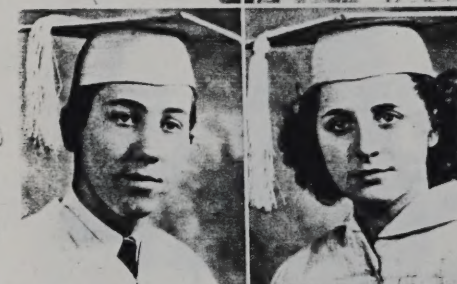

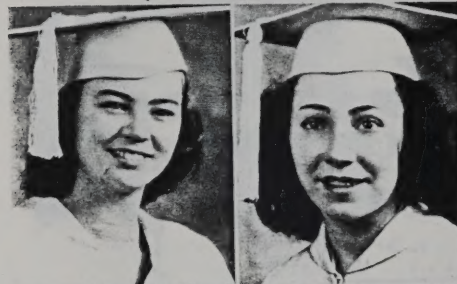

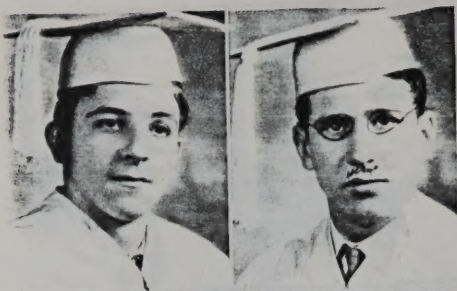

Harold Beerbower: "Bud's" favorite expression is "on the ball"; likes the boy's name "Bud" (no conceit in his family), is a current listener to that wonderful orchestra of Bill Dakos. Prefers football as a favorite sport.

Frank Urso: "Monk's" favorite color is "blondes." His favorite pastime is wolfing which he does when he is away from his pet hate, school. He loves to hear Harry James play "Pistol Packin' Mama". Betty Grable is his favorite actress.

Minnie Nash: Band, Tri-Hi-Y, Red Cross, Twirlers. This dandy sponsor hates chemistry, likes to write letters, thinks Tyrone Power and "Bob" are tops, and approves of Bill Dako's band.

Evelyn Corbin: Spelling Club '43. To play the piano and not have to write letters are Evelyn's idea of a grand time. In her opinion Gary Cooper, Rosiland Russel, and Harry James are tops.

Mary Lou Hufford: Art and Crafts, Commercial Club. Blondy sings "Stardust," thinks of "Jerry," writes letters in her spare time, and hates exams. She is mad about Bing Crosby (what—no Sinatra?), enjoys basketball, and is true to the Navy.

Frank Cimino: Printing Club, Stage Crew, Student Government. "Wolf! Wolf!" Look out girls, here comes Frankie. Frank likes the name Eleanor, thinks Bill Dakos' orchestra is tops and Bud Beerhower is his favorite actor.—Some choice.

Bob Thompson: Technical Course, Member of Hi-Y, and Military Club. Bob goes in for football (what a player!), likes Flynn and Stanwyck, sings "Pistol Packin' Mama" and listens to Harry James, hates girls but a certain little twirler can turn his eye.

Connie Kriedler: Arts and Crafts, Bridge, Tri-Hi-Y. Connie won't tell her favorite expression but she hates to wash dishes, likes Glenn Ford, horseback riding, and Harry James. If she's late it's because she didn't know what time it was.

Elizabeth Jane Nigh: Girl Reserves, Spelling Club. Elizabeth adores Bernard, Robert Young, and swimming, usually misses the bus cuz she's day dreaming. If you hear faint strains of "You'll Never Know", it's probably Elizabeth.

Ruth Saunders: Camera Club, Girl Reserves, Tri-Hi-Y. Ruth wishes they would fix the hill to school so she wouldn't have to climb it. She loves to hear Harry James on his trumpet play "A Little Bit of Heaven."

Lucille Virginia Morgan: Commercial Club, Red Cross. This is one of the few people who hates nothing and nobody. Wonderful! She is crazy about Walter Pidgeon and "My Heart Tells Me" played by Harry James.

Dick Kohler: Technical Course, Member of Hi-Y, Aviation Club in 41-42, Maple Leaves of 43, Honor Society, Thespians. "Professor" likes polo and Errol Flynn, dislikes Harry James, sings "I'll Never Smile Again" and studies psychology.

Mara Bell Tucker: Girl's Athletic 42, Commercial Club 42. Mara Bell wishes she could change her name to Rebecca, but don't worry, cause Albert likes it the way it is, hates to go to school but likes to sleep.

Rachel Knight: Masque and Gavel, Thespians, Tri-Hi-Y, Choral Club, Maple Leaves '43. Rachel likes dancing, horseback riding, Tim Holt, and the name "Lee". Where is she! Had to see a dog about a man! Does she study for tests? Hum-m-m-m, sometimes.

James Borrell: James thinks blue, basketball, Spencer Tracy, and Raymond are tops, likes to hear Bill Dakos give with "No Love, No Nothing," despises rationing and getting up early. "One good turn deserves another" is his slogan.

Herbert B. Mercer: Hi-Y, Aviation, National Honor Society. Herbert likes the color red, joke magazines, football, basketball, and softball, favorite name is Dorothy. (We wonder why), likes "Joker", but hates too much homework.

Frankie Reaser: For someone to call her "Frank" gives Frankie the worst of nightmares, considers Betty Grable tops, and dislikes to go to the movies and play baseball.

Good luck to
a well
Jim

She's great & everything to a real "Personality" Plus "girl" 1.00 for her!

Glendine Boyd: Arts and Crafts, Girl Reserves, Glendine, one of our pretty band sponsors, loathes drips, adores blue, Martha, Charles Boyer and Bobby Switsher, thinks Tommy Dorsey is the stuff playing "As Time Goes By."

Ralph Dunsmore: "Ditty's" pet hate is conceited females, likes the name "Slug", says "nertz", goes for Donald Duck and Gypsy Rose Lee, sings the Strip Polka, and spends his extra time "just restin'," also, enjoys football.

Margaret Ellen Copeland: Arts and Crafts, Choral Club, Drama Club, National Honor Society, Thespians, Science Club. "Maggie" thrills when Tommy Dorsey plays "I'll Never Smile Again", loves Walter Pigeon, the name Elinor, and Horseback riding, hates getting up in the A.M.

Violet Todesco: Choral Club, Maple Leaves '43, Honor Society, Science Club 42. This grand gal has no "pet hates", loves to met people, is crazy about "Besame Mucho", and favors Bob Hope.

Jane Bergman: Arts and Crafts; Choral Club. Is a Public Address announcer. This chicken hates to get up in the morning, croons "Night and Day" when she isn't buzzing on the telephone or swooning over Artie Shaw.

Benny Brown: Technical Course. Member of Student Government and Hi-Life of 43-44. Benny's favorite color is strawberry (blondes), likes the song, "Why Don't You Do Right", (putting it mildly) he enjoys necking, his original excuse is "I've got a petrified leg." Some feller!

Joan Banks: Girl's Athletic 42, Tri-Hi-Y 43. "I don't like to write letters and I hate to wash my hair", says Joanie. I do like the name David, and nobody believes me when I give as an excuse, "I couldn't make it."

Frank Pagliaro: Technical Course. Member of Military Club in 1941. Frankie likes football, basketball, color red and Glenn Arnett's band. Errol Flynn and Betty Hutton come first on his list of actors and actresses. "Pistol Packin' Mama" is his favorite tune.

Eleanor Scritchfield: Eleanor belongs to the Science Club and Spelling Club. She has an original excuse that she gives,—"I'm always too early." Believe it or not her pet hate is sleep! She likes red, adores Betty Grable, plays soft ball and sings "Paper Doll."

Jean Carskaden: Choral Club, Camera, Masque and Gavel, National Honor Society, Girl Reserves. Jean adores listening to the radio, Alan Ladd, and Harry James. Buddy is her favorite name and we couldn't guess why.

Anna Mae Heffner: Maple Leaves '43, Science, Girls Athletics Club. Anna Mae is in the Distributive Education class, loves baseball, Jimmy Stewart, writing poetry and Harry James giving on "You'll Never Know". Despises disloyal friends.

Richard Smith: Choral Club, Lettermen Club, Student Government, Kl?ub president. "Smitty" plays football and the "wolfing game", Sammy Kaye's version of "Stardust" suits him fine, hates Physics class, but thinks Betty Grable and "Mary" are po—lenty O.K.

Julia Faye Morrison: Arts and Crafts, Choral Club, Maple Leaves '43. Julia is one of our smart twirlers: adores peppermint patties, Tyrone Power, and Fred Waring. Loathes girls who swoon over Frank Sinatra. You can find her? She'll be at majorette practice.

John Sayre: This quiet fellow (one of the few left around here) is very certain that Sammy Kaye's orchestra is tops. He is mechanically minded and loves the color blue.

Mary Jo Smith: Choral Club, Science, Thespians. Is a Public Address announcer and is one of our snappy twirlers. Mary Jo loves to dance and hates being broke. "I forgot" is her most used excuse and she'd like to change her name to "Rebecca."

Patricia Hale: Girl Reserves. Pat loves to wear yellow, sez "could be," thinks Dennis Morgan is wonderful, likes the movies, and is not at all keen about washing dishes.

Rachel Ann Hamilton: Choral Club, Maple Leaves '43. "Rae" likes the names Lewis and Sylvia, adores Cary Grant, basketball, dancing, and Harry James playing "Just As Though You Were Here". Loathes getting up before twelve.

Dale Jones: Lettermen, Military, Spelling Club. This grand fellow spends his time hating Tojo Inc., hunting (what?), or thinking how marvelous Lana Turner is. To hear Harry James play "My Shining Hour" is Dale's idea of heaven.

Margaret Ruth Shackelford: Girls Athletics '42, Commercial Club '42, Spelling '43, Twirlers '43. Margaret is one of our man haters. She much prefers swimming, sleeping, Bette Davis, and Harry James. "Wait For Me Mary" is her one and only.

Betty Clevenger: "Betty" hates work and likes to go bicycle riding. Goes around saying "You're rugged", and jumps when she hears the trumpet of Harry James.

Authana June Boyce: Girls' Athletic '43, Spelling Club '43. With the exception of "Bob", Authana thinks all men are poison. She sez "that's solid", and in this age of boyish girls she likes to embroider.

Jeanne Wallace: Girl Reserves, Athletic Club, Red Cross, Science Club. "Jo" hates jazz music; Turhan Bey and Joan Fontain are her favorite screen stars; "You'll Never Know" played by Harry James is O.K. to her; goes for the name Jimmy and the color blue.

Gloria Hirsch: "Gloria's" favorite movie stars are Alan Ladd and Betty Grable; hates to study but likes to dance; listens to Harry James play "The Dreamer;" likes the color green.

HALE'S ANNUAL FOOD DRIVE THROUGH DEC. 8

AMERICAN EDUCATION WEEK

The week of November 15 is American Education Week. This year we have planned our annual barbecue for November 19. This all school event will offer parents and grandparents an opportunity to join us in celebrating our great school.

We invite parents and grandparents to join their children at lunch which will include hamburgers, hot dogs, cowboy beans, applesauce cups, carrots, chips and cookies. The cost of an adult lunch will be \$2.50 and student's lunch is \$1.60. The cost of a visiting child's lunch is \$2.00 for this special day. After the guests and students get their lunch in the cafeteria, they will move to the north side of the gym where we will have tables and a band for those who may wish to kick up their heels after eating. Hope you can join us!

PTO NEWS

As a result of the overwhelming support at the Nov 2 PTO meeting, a motion was passed to have a Spring Carnival and Silent Auction at Hale on April 1, 2005. The first priority of the profits from this event will be to purchase a personal computer and high grade printer for the preparation areas for each grade level and special areas, and to advance the equipment for Hale News Network.

Thanks to each of you who responded to help in so many ways to bring this event to Hale!! 136 families returned the form resulting in a volunteer to coordinate a game booth for each grade, a room coordinator for each silent auction basket, over 250 volunteers to work events, sell tickets, serve on the food committee, and food booths, contribute supplies and/or time, and help with "Kiss the Pig." Yes, even a pig and all of the jumping castles have been donated! The community of Hale Heroes does believe & achieve!

In January, each of the committee chairs will be contacting those of you who volunteered. If you have not volunteered (we can always use more), please contact Susan Olson at 615-8932.

EDUCATION SUPPORT PROFESSIONAL DAY

In conjunction with American Education Week, Nov. 17 is designated as Education Support Professionals Day. Please take the time to extend your thanks to our support staff members who work tirelessly each day to support our teachers and programs on our campus.

Thanks so Much!

HELPING OTHERS

Hale School's annual food drive began on November 1, and will run until December 8. Last year's food drive was very successful with Hale students collecting a record amount of food. We hope to equal or surpass that amount this year.

Students received a flier to take home the last week of October with a list of suggested items that the food bank needs; however, all donations will be accepted. St. Matthew's Food Bank is beginning its fifth year assisting families of the east valley. As the holidays approach, all the valley food banks find they are low on basics. Any assistance we can give will be greatly appreciated.

WHEN THE MOON HITS YOUR EYE

It's a big piece of pie – as in pizza at Papa John's. Don't forget our PTO Pizza Night on November 9. Order a pizza, and be sure to mention Hale PTO. Thank you for your support!

AUTHORS' CORNER

MY HERO

My real life hero would have to be my sister, Brandy. I have lots of heroes but she would have to be my number one hero. She is a great 21 year old sister.

One reason she is a hero is because she takes me places where I need to be, like Girl Scouts, soccer practice and games, school, and a lot of other places when my dad is at work. Brandy is so helpful.

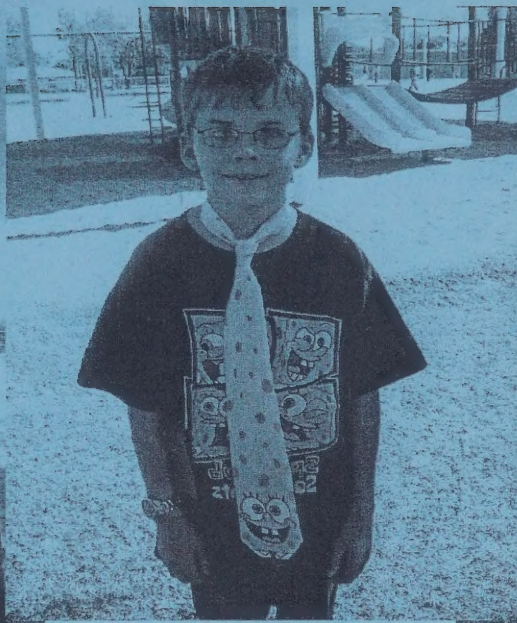

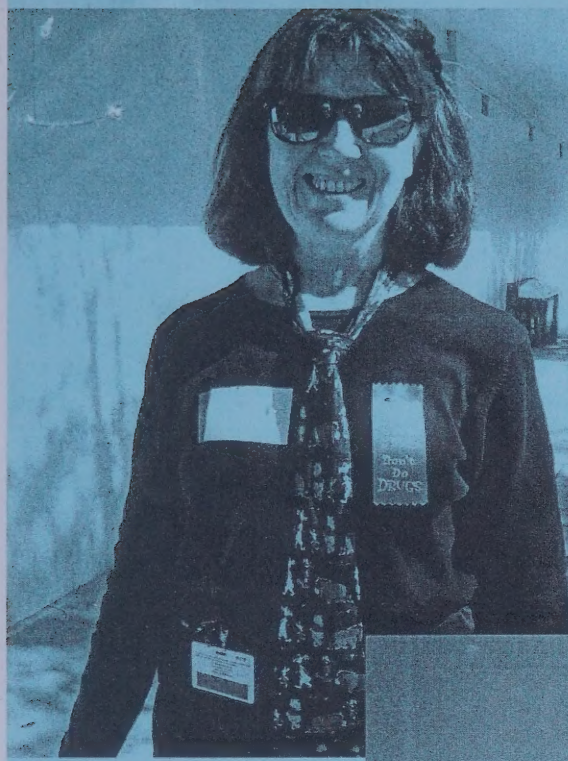

Another wonderful reason she is my hero is because she helps me with my homework. She helps me with projects for school. Brandy is in college right now. It is funny because we both read a lot, so when she is reading her books I am reading mine, too.

Brandy is a great hero and role model for me because she always has time for me. When I am having a good day or if I'm having a bad day, I always tell Brandy about it. I like talking to her because she listens and I feel like she is my own personal diary. If I tell her something I know she won't tell anyone. It is very nice to have someone like that because sometimes I need to talk about my day and stuff. When Brandy tells me something I always try to listen to her too.

Brandy is a very nice, cheerful, happy, fun and great person. We do everything together. She is like my best friend. I don't know what I'd do without her.
